For complete technical product information, including physical properties, certifications, flame spread and smoke development ratings, fabrication recommendations, product storage, and limitations please visit www.cranecomposites.com/support/resource.html. Here you will find technical data sheets, installation guides, warranties, material safety data sheets, and three part specifications. If any other information is required, please contact us at 1(800) 435-0080, or email us at salesbp@cranecomposites.com.

Wall Panels with Style

The Innovative Finishes line combines the traditional benefits of fiberglass reinforced plastic with a linen or sandstone texture, or a tile-look or beaded finish to provide a panel with presence and style.

Sandstone Texture

Tile-Look & Beaded

Linen Texture

*Patterns and colors are a representation and may not accurately reflect the final product.
Please obtain a sample of the product before making a final selection at www.FRPSamples.com*

* Sandstone Scored Panels are also available in Fawn Brown and Morning Mist Gray Available in 10' only. All sandstone panels may be scored in 2", 3", 4", 6", 8", and 12" squares

** Gel Coat White Wash and Parchment are available unscored, gel coat scored panels are scored in standard 4" x 4" squares. Gel coat panels are only Class C per ASTM E-84
